Col. Giller memo for C/OSA/Programs Staff

Dr. Scoville feels strongly about:

- a) DNRO should be full time job, not wearing two hats and having two loyalties and be technically qualified.
- b) CIA should have a recognized Deputy Director of the NRO who should be technically qualified.
- c) He feels that the NRO staff should not be dealing directly with contractors and involved in day-to-day program operations.

Requested OSA analysis of how we would like NRO to be constituted and operated.

In summary we (OSA) feel that immediate attention must be given to the designation of a CIA employee as D or DD/NRO as full-time position, operational functions now performed by NRO Staff be assigned to proper Program Directors; that NRO Staff be reorganized to include membership from all NRP service and agencies; and that the Dir, Dep Dir and Staff of NRO be located in one office area.
